

Public Notice – Environmental Permit

Purpose of Notice: To seek public comment on two draft permits from the Department of Environmental Quality to limit air pollution emitted by a facility in Norfolk and Portsmouth, Virginia.

Public Comment Period: January 11, 2008 to February 11, 2008

Permit Name: **State Operating Permit** issued by DEQ, under the authority of the Air Pollution Control Board

Applicants Name, Address and Registration Number: Lyon Shipyard, Inc., PO Box 2180, Norfolk, VA 23501, Registration Number: 61274 and U. S. Coast Guard Integrated Support Command Portsmouth, 4000 Coast Guard Blvd, Portsmouth, VA 23703, Registration Number: 60410.

Permit Description: **Lyon Shipyard, Inc.** has applied for an amendment to their permit for the operation of a ship repair facility located at the Foot of Brown Ave, Norfolk, VA. 23504. The permit would allow the facility to operate various outdoor abrasive blasting and spray coating operations. **U.S. Coast Guard Integrated Support Command Portsmouth** has applied for an amendment to their permit for the operation of a marine industrial support facility located at 4000 Coast Guard Blvd, Portsmouth, VA 23703. The permit would allow the facility to construct and operate a new powder coating line and several propane-fired boilers. The amendment would also make changes to the existing abrasive blasting operations, several existing fuel-burning equipment units, and the outdoor small arms firing range.

How to comment: DEQ accepts comments by e-mail, fax or postal mail. All comments must include the name, address and telephone number of the person commenting and be received by DEQ within the comment period. The public may review the draft permit and application at the DEQ office named below. The draft permit is also available on the DEQ website at www.deq.virginia.gov. The public also may request a public hearing. To request a public hearing, written comments must include: 1) The names, mailing addresses and telephone numbers of the requester and of all people represented by the requester. 2) The reason a hearing is requested, including associated air quality concerns. 3) A brief, informal statement regarding the extent of the interest of the requester, including how the operation of the facility affects the requester.
